### *Thank you Tricia*

On Monday 16 May Tricia relinquished her role as ACSAH Volunteer Co-ordinator. After having the idea to help seniors with their pets Tricia with the help of other like-minded people setup ACSAH three years ago.

Since then Tricia has tirelessly worked to co-ordinate volunteers to provide assistance to older people care for their beloved pets. While she has relinquished her role as Volunteer Co-ordinator Tricia will continue as a Pet Assist Volunteer.

There was a small presentation at the General Meeting on Monday to thank Tricia for her considerable efforts over the past three years.

Given the increasing ACSAH activity levels, the areas we service have now been divided into three zones, North, Central, and South with each Zone having its own Co-ordinator.

North Zone is the area north of the Barron River to Palm Cove, Central Zone is the area between the Barron River and Clarke Creek running through Earlville, and South Zone is from Clarke Creek to Gordonvale.

Our new Zone Co-ordinators are

North – Annabelle Symes
